R.O.C.2024-32-B1. South Kanara Collector's Office,

Mangalore, 15th March 1932.

From Rao Bahadur J. Hussain, Bar-at-Law,

Collector of South Kanara.

To

The Secretary to the Board,

Land Revenue & Settlement,

Madras.

Sir,

Allowances - Tasdik - (South Kanara) - Coondapoor Taluk - Koteshwar village - Institution No.491 - Totayana Mahantaya's Mutt - Arrears - Payment-sanction solicited.

The annual tasdik of Rs.13/- due to institution No.491 Totayana Mahantaya's Mutt has been sent to deposit from fasli 1334 owing to its not being claimed by the Trustee. The trustee has now put in a claim for the arrears.

Enquiry shows that though the tasdik has not been claimed, services have been conducted regularly and that the institution has been in repairs all along. I therefore recommend that the arrears for the last six years may be paid subject to the usual deductions.

Devamma, the trustee, could not draw the tasdik in the first year of deposit as she was away on the ghauts. In the subsequent years, the Patel declined to pay the tasdik but sent it to deposits. He is not able to explain this.

The allowance was not struck off the registers as the Tahsildar did not recommend it to be written off. I have already called for a list of temples from all Tahsildars, whose tasdik has not been disbursed for over six years, so that I may have such institutions struck off.
